Monday, 28 May 2007

Mediamailing is delighted to be chosen to be in the final 4 for the Shell Livewire Young Entrepreneur of the Year Regional finals for 2007.

Shell Livewire is an annual competition for budding young entrepreneurs to put forward their business for recognition on a major stage. Split into regions around the UK, Shell Livewire choose 4 companies from each region to compete for a place in the grand finals.

After putting forward our business details and pitch, Mediamailing won a place in the final 4 for the South-East Region, winning £500 in the process.

Unfortunately, we didn't get through to the national final, but we all had a great day and met a load of cool people and contacts.

Congratulations to the winners for the East and South East who go through to the final on June 13th 2007 in London.
