

Mediamailing on Amazon.co.uk

Wednesday, 07 July 2004

Today see an exciting step forward for Mediamailing, we now have products officially for sale on Amazon.co.uk.

As of today, our entire range is available to buy online via the Amazon site, as site which boasts over 9 million registered users, and a wealth of visitors every day from many different portals.

Be sure to head on over to Amazon and check it out, at the time of us typing this blog, we are listing the second biggest selection of packaging mailers on Amazon, and we're sure we'll have the most come the new year (watch this space!!).
